Process for Ph.D Admission

The College fee structure for Research Students (Ph.D) is as follows for the academic year 2021-2022

1. External- Rs.30,000/- per year
 2. Internal (our staff on Roll) - Rs.25,000/- per year
- Application has to be filled online on the VTU Research webportal when notified.
 - The candidate has to submit the application form to VTU, Belgaum. On receiving it, VTU will call them for the University Level TEST on specified date, once they clear the test, they may come to our campus for further Process.
 - Meet the Principal and concerned HOD at our campus. Decide about the Topics and Synopsis, which they prefer to opt.
 - Later, pay Rs.5000/- towards counseling fees, seat reservation and application fee (non refundable) in cash counter and then submit the application form with the receipt copy of Rs.5000/- at our Admission Department. The same application will be handed over to the candidate within 2 days with seal and signature of concerned HOD and Principal.
 - The candidate has to personally present the research synopsis in front of the Panel constituted by VTU, Belgaum. Once they are eligible for registration, they may come to our campus and pay the balance amount of Rs. 25,000/- (external candidates) Rs.20,000/-(internal candidates) at the cash counter and receipt will have to be shown at the engineering college and obtain Roll No. and then proceed to meet the Research Centre Head/HOD.
 - The above fee structure is valid till 30th June

PhD eligibility for Engineering disciplines

1. Masters degree in Engineering or Technology from a recognized university with a CGPA of 6.75 out of 10. (Minimum 60 percent aggregate at the bachelors level or masters level).
2. Bachelors degree in Engineering or Technology from a recognized university with a CGPA of 7.75 out of 10 (minimum 70 percent aggregate at bachelors level) and should have published research papers in refereed journals or obtained patents.
3. Applicants with an M.Sc Engineering degree from a recognized university who have successfully completed coursework in first two semesters of study with CGPA of 7.75 out of 10 (70 percent minimum aggregate) are eligible to apply. The candidate should have also published research papers in refereed journals or should have obtained patent files.
4. Candidates with an M.Tech degree from recognized university who have successfully completed prescribed course work at first three semesters of study with a CGPA of 7.75 out of 10 (70 percent aggregate) with good research aptitude are eligible to apply.
